

Neighbors and friends, I am thrilled to announce that I am running for a seat on the Smoky Hill Metropolitan District Board! As an almost 4 year resident, an active community member, and your neighbor, I am deeply invested in the future of our neighborhood.

Through our Smoky Hill Social Club, which is fully self-funded by its members, I have had the joy of organizing multiple community events each year—bringing our neighbors together and strengthening the bonds that make Smoky Hill such a special place to call home.

As a Realtor, I understand how crucial it is to maintain and enhance our property values. A well-kept and thriving community benefits every homeowner, and I want to ensure that we continue making improvements that reflect the pride we all have in our neighborhood.

If elected, my goals include:

- ✓ Revamping our neighborhood signage to meet today's aesthetic standards and give our community a fresh, welcoming feel.
- ✓ Maintaining and enhancing our parks, including the possibility of adding community gardens to create shared green spaces that bring us together.
- ✓ Transforming our clubhouse into a more accessible and functional event center that better serves our residents.
- ✓ Expanding and improving pool events, making them bigger and better for everyone to enjoy since the Metro District oversees the pool.

I am committed to preserving the beauty, value, and vibrancy of Smoky Hill while ensuring that our community spaces and resources work for everyone. I would love your support in this journey, and I look forward to working together to make our neighborhood the best it can be!

I also would welcome your input and suggestions for matters that are of importance to the community, keeping in mind that our Metro District is in charge of all our public spaces as well as our clubhouse and pool.

Let's make a difference, together!
